

Patient assistance with cell phones, computers, printers, and more.

at Silver Support

Struggling with Technology? We Can Help! We specialize in making technology easy for all ages! We're here to assist you with: Cell Phone Setup: Helping you get started with your CELL PHONE, from calls and texts to apps and photos. Computer Setup: Making sure your computer is ready for use, hassle-free! APP and Program Set up: We are happy to help you get everything set up and walk you through how to use email, facebook, online bill pay etc. Printer Setup: Setting up printers so you can effortlessly print documents and photos. TV Programming: Sorting out your channels and ensuring you never miss your favorite shows. Troubleshooting: if you are having trouble with any of your devices we can help! And anything else you may need help with! We do house calls, or can help over the phone.
